PRESIDENT'S FOREIGN INTELLIGENCE ADVISORY BOARD

July 26, 1983

Dear Bill,

Once again, I want to thank you so very much for taking time to talk to the Board. We all appreciate it knowing that there are many other demands on your valuable time. Of course, and as I've mentioned before, your presentation is invariably the highlight of our meetings.

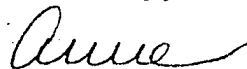

I am especially glad that you were able to stay for our discussion on Leo's project. I agree that it is very important that we handle this subject properly and in a timely manner. Bob Gates' comments were very helpful and provided added insight on some of the more difficult problems.

All in all, it was a great session. We were also gratified that John McMahon accompanied you for part of the session since we had not seen him for some time.

I wish you all the best and look forward to our continuing work together.

With warmest regards,

Sincerely,

Anne L. Armstrong  
Chairman
